## Oregon

If you want the styling of a cruiser with comfortable commuter credentials then the Oregon is going to be the bike for you! The model uses a reliable 4 stroke overhead cam engine which provides a smooth and enjoyable riding experience. The model uses telescopic front suspension and a twin shock rear which delivers stable handling. When combined with the disc brake front and drum brake rear the Oregon is sure to inspire confidence from new riders. With modern design elements and a superb quality of finish the Oregon is sure to turn heads and inspire many adventures.
