Diablo

The Lexmoto Diablo provides a sports scooter with exceptional styling with a build quality that far surpasses its price tag. The Lexmoto Diablo provides the ultimate in modern styling with a price that is accessible to all riders. The model is an Italian design installed with a 6.6Kw motor that is the most powerful in our range of scooters. The model has a front and rear disc setup and comfortable suspension which affords bump soaking and nimble handling. With striking LED headlight features and a digital display the Diablo continues to illuminate the night-time streets.
